

MARÍA SÁNCHEZ DOMÍNGUEZ

09 / 12 / 1996

maria.sanchez.arch@gmail.com
+34 657 487 960

SOFTWARE COMPETENCY

LEVEL OF PROFICIENCY	BASIC	MED.	HIGH
Rhinoceros			
Grasshopper			
REVIT +Rhino.Inside			
Navisworks			
Python			
SketchUp (+vray)			
AutoCAD			
Lumion, Enscape			
Adobe Suite (PS, AI, ID)			

LANGUAGE SKILLS

Spanish	—	C2 / Native
Catalan	—	C2 / Native
English	—	C2 / CPE
German	—	C2 / Swiss High School Diploma
French	—	B2
Chinese [Mandarin]	—	A2 / HSK3
Korean	—	B2 / TOPIK II

INTRODUCTION

María has a Bachelor's Degree in Architecture by the Polytechnic Univ. of Catalonia (UPC) and M. Arch by the Polytechnic Univ. of Madrid (UPM). She has great interest architectural design, new technologies and foreign languages.

She has experience working on and managing complex projects such as the completion of the Sagrada Familia basilica as well as various architectural offices participating in a variety of tasks regarding tracing, modelling, BIM Modelling and digital rendering.

PROFESSIONAL EXPERIENCE

10/2024 - PRESENT (yearly)	MPDA - UPC Teacher for the Building Information - InterOperability course of the degree. Main focus on Revit+Rhino.Inside+Grasshopper.
01/2024 - PRESENT (yearly)	MACAD - IAAC Teacher Assistant for the Integrative Modelling seminar of the Master's course. Main focus on Interoperability and Revit+Rhino.Inside+Grasshopper.
02/2023 - PRESENT	MODELICAL Collaboration and management in multiple projects based on BIM and parametrisation: Implementation and digitalisation, fabrication modelling, complex geometry modelling through Rhinoceros + Grasshopper scripting, Revit+Rhino.Inside workflows, etc.
10/2021 - 02/2023	MRA Manuel Ruisánchez Arquitectos Basic and executive project (urban planning and building), tenders, 2D layout + 3D modeling based on REVIT and/or Rhinoceros/SketchUp, architectural visualization with LUMION, Enscape and Adobe Suite.
01/2019 - 07/2020	SAGRADA FAMILIA BASILICA Conceptual design, historical studies, basic and executive project, site visits; 2D layout + 3D modeling in Rhinoceros, parametric design in Grasshopper.
07/2018 - 01/2019	DFT Arquitectes Conceptual design, basic and executive project; 2d layout + 3D modeling and rendering, German-Spanish translation.
06/2018 - 07/2018	Gina Barcelona Architects Collaboration in international competition [1st prize]. <i>Intergenerational Center in Neubrandenburg, Germany</i>
02/2018 - 08/2018	CÀTEDRA GAUDÍ (ETSAB-UPC) Cataloging and documentation of the archive's collections, management of external requests.

EDUCATION

2020 - 2021	Master's Degree in Architecture ETSAM Polytechnic University of Madrid UPM
2014 - 2020	Bachelor Degree in Architecture ETSAB Polytechnic University of Catalonia UPC
